

## **Corporate Finance & Research Investment Intern, Multi-Family Office and Financial Advisory Boutique, Hong Kong**

---

*CIGP Group ([www.cigp.com](http://www.cigp.com)) is a multi-family office with operations in Geneva, Milan, Dubai and Hong Kong. Our activities cover private wealth & asset management, as well as financial advisory services to a sophisticated and international clientele, looking to develop and invest in Asia. CIGP's investment scope spans across the public and private markets.*

*We are looking for a Multilingual Corporate Finance & Research Investment Intern in our Hong Kong office, to perform both financial research and analysis for the Autumn- Winter period.*

### **Responsibilities**

The candidate shall have a curious, open and flexible mind, willing to get commercial responsibilities and working independence early-on. He/she shall support the team in the origination and analysis of investment ideas.

Main assignments shall include:

- Participate and contribute in the various stages of M&A, Buy-side and/or Sell-side transactions;
- Actively assist the Corporate Finance team and quickly integrate into the team;
- Produce extensive quality documentation for various stages of transactions (presentations, valuations, market reports, etc.);
- Macro-economic research and synthesis, helping the Team define the global asset allocation;
- Detailed sectorial / country analysis and search for potential public and private investment targets: identify investment opportunities based on qualitative and quantitative criteria, work on due-diligence of identified targets including financial and strategic analysis, valuation analysis, meeting with management, speaking with industry specialists, etc.;
- Production of investment memoranda substantiating key findings in view of a decision process by CIGP's investment committee; and
- Monitoring of subsequent price and operating performance of the underlying invested assets and client portfolios.

### **Requirements**

- Prior academic experience/education in accounting and/or finance;
- Language capabilities is of the essence as reporting in English. Cantonese and/or Mandarin is a plus;
- Prior working experiences preferable (Finance, Banking, Advisory);
- Personal skills: entrepreneurial spirit, curiosity, autonomy, proactivity;
- IT skills: working knowledge of Microsoft Office (Excel, Power Point, Word) is a must, experience with Factset / Bloomberg will be favoured VBA skills and further banking IT platform systems.

### **Other**

- Application process includes the provision of a cover letter, Curriculum Vitae, reference letters from prior employers, as well as diploma certificates.

If interested, kindly send CV and cover letter to [careers@cigp.ch](mailto:careers@cigp.ch)
